TUITION FEES LIST: 2019/20 Academic Year

International

Postgraduate Research

Please refer to your course, year of study and year of entry to locate the relevant fee rate for the 2019/20 academic year. The Full and Part time fees are displayed within the table for each award type.

Postgraduate Research Awards: MPhil, PhD, MA/MSc by Research

Students are invoiced on an annual basis for the relevant yearly fee over the expected course duration for their award. Students studying beyond this period of registration will be charged additional annual fee(s) but, following submission of their thesis, the university will either immediately suspend further direct debit collection or refund any fees paid for the remaining part of the year on a pro rata basis. Students who are required to undertake major amendments or resubmit their thesis should refer to the Additional Fees table below.

Postgraduate Research Awards: Full and Part time Fees
