

# Attendance and Engagement Monitoring

The NMC and the University regulations will be covered in detail during induction

Students will be required to sign into University sessions

Students should be attending all timetabled sessions

ACL will monitor attendance every month

Failure to attend mandatory sessions BLS and MH will mean the student cannot attend placement

Concerns about attendance. ACL will request the personal tutor meets with the student

Student offered support and signposted to University Helpzone

Concerns remain regarding attendance. Student to meet with ACL

ACL and student to write an action plan to improve attendance

Continuous non-attendance will result in referral to *Fitness to Study* policy which may result in University instigated withdrawal procedure
