HOW TO FIND US

Park Campus is within easy walking distance of Cheltenham town centre and has excellent rail and road links.

By rail
Cheltenham station is a 20 minute walk to Park Campus and the town centre or a short taxi ride away. To find out more visit: www.nationalrail.co.uk

By road
Cheltenham is just a few miles away from Junction 11 of the M5. Parking on campus – a permit is included to be displayed in your car.

University of Gloucestershire
Park Campus
The Park,
Cheltenham

SCHOOL OF COMPUTING AND TECHNOLOGY
APPLICANT TASTER DAY PROGRAMME

YOUR APPLICANT TASTER DAY STARTS HERE
CONGRATULATIONS ON YOUR OFFER

Your applicant taster day is your chance to find out more about what being a student here is like, so that you can be absolutely sure that we are the right place for you to study your degree.

Perhaps most importantly, you’ll meet your lecturers and other students who have been offered a place on your course. And you’ll discover how we will support you to have an outstanding university experience and graduate well prepared for industry, through your own unique Future Plan.

This booklet provides all the information you need to make the most of the day. Our academics, support staff and current students will be available on the day to answer any questions you may have.

We welcome parents and guests, and have even included a session specifically for them.

You’ll also get to tour the campus and see where you could be living, and if you make us your firm choice before 30 April 2016 you’ll be guaranteed a room in university managed accommodation.

Sound like a plan?

We look forward to seeing you there.

**Wednesday 10 February 2016**
**Wednesday 2 March 2016**

If you haven’t already booked – **BOOK YOUR PLACE** at [www.glos.ac.uk/applicantdays](http://www.glos.ac.uk/applicantdays)
